

“Brick by Brick, Build a Better Tomorrow for Airdrie’s Kids!”

The BGC Airdrie Club is pleased to announce that we are constructing a new clubhouse for Airdrie’s children and youth! A space that will not only stand the test of time but also provide a nurturing environment for our young community members.

At BGC Airdrie Club, we're embarking on a mission to BUILD a world of new opportunities for children in our community because at BGC Airdrie Club we believe that “Opportunity Changes Everything”.

The BGC Airdrie Club is reaching out to local businesses asking for support in raising funds for our new Club House. We are asking businesses to sell paper Bricks that can be displayed in their establishment with proceeds coming back to BGC Airdrie Club. Donations may start at \$2.00 and up! Another option is for businesses that have a POS system to offer the customer to choose to round up to the nearest dollar.

BGC Airdrie Club hopes to count you in to support this campaign! Contact Denisa Sanness at dsanness@bgcairdrie.com or 403-948-3331 for more details..
